

## **CERTIFICATION POLICY**

- Usahawan Borneo Greenwood Sdn Bhd fully committed to maintaining Forest Certification of the Natural Forests and Forest Plantation on its Forest Management Units (FMUs).
- All management practices will comply with the Malaysian Timber Certification Scheme's (MTCS) criteria and indicators.
- Certification will be obtained by utilizing best practice guidelines to manage the Forest Management Unit (FMU).
- This will include the use and implementation of proven and economically viable environment, financial and social practices.
- In the way, Usahawan Borneo Greenwood Sdn Bhd will ensure that all operations constantly strive towards maintaining sustainable forest management for current and future generations.

Through this certification the company shall demonstrate a long-term commitment to adhere to the following MTCS principles:

1. Compliance with Laws and Principles
2. Tenure and Use Rights and Responsibilities
3. Indigenous Peoples' Rights
4. Community Relations and Worker's Rights
5. Benefits from the forest
6. Environmental Impact
7. Management Plan
8. Monitoring and Assessment
9. Maintenance of High Conservation Value Forest

The company shall use the Malaysian Criteria and Indicators for Forest Management Certification [MC & I (Forest Plantation)] as the standard to evaluate our forest and environmental performance.

Yours faithfully,

**Datuk Elbert Lim Yu Ming, JP**  
Managing Director
